

Ski New Hampshire is excited to welcome ski area staff, industry partners and exhibitors this June to Waterville Valley Resort, located in Waterville Valley, NH. Thanks to our sponsors' invaluable support, we are able to keep attendance costs relatively low for our ski area members, which enables them to send more managers and front-line employees to attend our educational sessions as well as learn about your products and services. **All sponsorships include associate/supplier membership dues** as part of the overall package\*.
