

# LIFT (Lift Industry Focused Training) Series & Snowmakers Seminar

Ski NH's Seminar Series—including our LIFT (Lift Industry Focused Training) Series and Snowmakers Seminar—were developed to deliver hands-on training and professional development for lift mechanics and snowmakers, while also encouraging camaraderie and knowledge-sharing among local staff.

Below are several sponsorship opportunities that can be ordered as a stand-alone sponsorship or as an add-on to your conference sponsorship. Each level will include promotion at *either* the LIFT series or the Snowmakers Seminar (your choice) offered throughout the membership year. You must be a member to become a sponsor. For membership information, visit [Ski NH's membership page](#). All Conference Sponsorships include membership. Questions?
